

# Looking Ahead

With City Councilor Marc Laredo

Dear Friends,

I hope you and your families are doing well and are looking forward to a wonderful Thanksgiving.

We have just completed a very successful election in Newton and throughout the Commonwealth. We are fortunate to live in a city and a state where there is little or no drama around our elections and multiple ways to vote. Whether your candidates won or lost, I hope that you were happy with how the elections were conducted and how the process worked here in the Commonwealth.

I am now turning my attention to my next election, when I will be running for re-election to the City Council next year. **After many years of avoiding fundraising efforts, I am now asking for you to please consider a donation to my campaign committee.**

Thanks to your continued support, I have been able to proudly serve the City of Newton for nearly 20 years, first on the School Committee and now on the City Council, and I look forward to continuing to serve all of the residents of the city that has been my home for most of my life. But to continue to do so, I need your assistance.

I pride myself on always being available to speak with residents throughout our city to help solve problems, on being well-prepared for all City Council meetings, and on attending public events as a representative of the city. I always do what I think is best for Newton's residents, and I have never been concerned about speaking up on controversial issues, including many of our recent zoning and development issues. At all times, I aim to be open-minded and, on both the School Committee and the City Council, I have never been afraid to change my position on an issue after robust discussion and debate.

I look forward to continuing to serve you in elected office and am always eager to expand my efforts to reach out to our residents and serve you even

more effectively. I want to be prepared for our next election, and it is with that in mind that I am asking you to consider a donation to my campaign.

You can make a contribution to my campaign online [HERE](#) or by clicking the button below. You can also send a check made payable to Committee to Elect Marc Laredo to Matt Hills, Treasurer; 25 Hobart Road; Newton Centre, MA 02459. Any and all donations are greatly appreciated!
